SUMMARY

Hard working web developer and designer with proven leadership and organizational skills seeking to apply my abilities to the position of job at company. Excels in a collaborative setting with excellent communication skills. Brings in passion about creating user friendly designs for all because of a background related to traditional art skills, typography, graphic design and brand experience.

EDUCATION

Bachelor of Science in Animation and Interactive Media with a Minor in Studio Art

Bradley University, Peoria, Illinois, May 2017
Graduated Cum Laude

Coding Web Developer Bootcamp

University of Kansas, Overland Park, Kansas, May 2019
